In the 1970's, Greg Laurie and a sea of young people descend on sunny Southern California to redefine truth through all means of liberation. Inadvertently, Laurie meets a charismatic street preacher and a pastor who open the doors to a church to a stream of wandering youth. What unfolds is a counterculture movement that becomes the greatest spiritual awakening in American history.

Use the ramp door on Park Avenue. Free Admission with popcorn and refreshments available. Short discussion to follow the movie. Why not bring a friend? The June movie to be shown is "A Man Named Otto".
