COFFEE HOUR ASSISTANCE REQUIRED

Trinity, for many years, has enjoyed the opportunity of getting together downstairs for refreshments after Sunday worship. It's an opportunity to touch base with Trinity folk as well as welcoming guests and newcomers. While the duties are minimal, some organization is required to make it happen. For various reasons, the leadership has dwindled and the task has fallen on a handful of people who no longer wish to be solely responsible.

August 2023 is covered but ***as of September 1, no one is scheduled to help prepare and serve the refreshments.*** Are you willing to help organize? Assist for a month? – September to December? Help on specific week(s)? Unless volunteers are obtained, these welcomed get-togethers after church will either be discontinued or offered once or twice during the month...perhaps when Trinity is hosting the service. Please give serious consideration to this request if you would like this informal gathering to continue. Contact Josie at j-salonen@shaw.ca or 807 344-7302 if you would be willing to help or would like further details about duties involved.

SEPTEMBER 23 FALL FLEA MARKET & RUMMAGE SALE

Plans are currently in motion to organize this traditional fall fundraiser and the request is now being made for donations for this event. As of August 10th you are invited to bring in donations for this event on Tuesday, Thursday and Friday mornings and placed in the UCW Room.**all in good condition please.** ***Pick-up can be arranged by calling the church office or Josie at 807 344-7302.***

Books – especially pocket books (no magazines or curriculum texts), housewares, furniture and small appliances, pictures, paintings, wall hangings, figurines, craft supplies, linens, collectibles, china, glassware and clothing/accessories for men, women and children

Although not being offered for sale in September, donations of good quality clothing, accessories and jewellery for the November Nearly New Boutique are also being accepted.

DRY BASEMENT DONATIONS

As reported in the May 2023 Around Trinity, the work completed to fix the water problem in the church basement has been successful as no water has been accumulating and remains dry. This is a major accomplishment. Donations are still being accepted to cover this \$30,000 expenditure.
