Come let us sing a new song onto the Lord our God.
We lift up our voices in one accord to our heavenly Lord of Hosts.
Our God dwells in the midst of our praises so let us raise our voices in joy and adoration.
Great is the Lord Jesus Christ who reigns in power, glory and the highest honour throughout all of creation.
We worship the triune God who looks down from His throne of grace and sees His children worshipping Him in spirit and truth.
Great is our God who receives the praises of His people today and the days to come.
